

DIRECTORATE OF GEOLOGY AND MINING, CHHATTISGARH**Indrawati Bhawan, Second floor, "D" wing, Naya Raipur****Ph: 0771-2412840, 2412844, 2412849, Fax: 0771-2412841 E-mail: dgm.cg@nic.in**No. **5516** /MCC/MIS / F.No.05 /2016

Date : 14.12.2016

To,**All concerned stake holders****Subject :- Project related Infrastructural and Technical requirements at User's End.**

Mineral Resources Department is very close to the launch of "Chhattisgarh Integrated Mines and Minerals Management System (ChiMMS)", a complete web based online system that enables each and every mining related aspect to go online.

In the first phase ChiMMS is proposed to be launched with respect to all major mining leases/licenses including Coal, Iron ore, Bauxite etc. from December, 2016 across the state.

In order to facilitate the same and find & fill the gaps, last week conferences and meetings with the stakeholders were conducted, whereby various issues like base structure of ChiMMS, Payment Gateway, e-Permit, e-Transit Pass, Transporter/ Vehicle Registration etc. were discussed in great detail.

It was concluded that for successful and seamless integration of the mines with the system, below mentioned infrastructural and technical developments and preparedness are prerequisites at the user's end.

At Office:-

- ✓ Laptop/Desktop with core i3 Processor and above with 4 GB RAM
- ✓ Internet connectivity with minimum 512 kbps
- ✓ UPS
- ✓ Laser Printer (Color Preferably)
- ✓ Digital Signature Certificate

At Dispatch Point:-

- ✓ Laptop/Desktop with core i3 Processor and above with 4 GB RAM
- ✓ Internet connectivity with minimum 512 kbps
- ✓ UPS
- ✓ Laser Printer (Color Preferably)

Thus the required preparedness at your end is requested at the earliest. Any communications in this regard can be done on chimmsspmu@gmail.com.
